

RESERVATION CONDITIONS

Student supervision and group size

Educational activities are designed on the assumption that the teacher and accompanying adults will stay with students throughout the tour and participate. We recommend that you plan to have accompanying adults in the following ratios:

- One per five students, for preschool and elementary cycle one;
- One per ten students, for elementary cycles two and three and secondary.

2009 Group rates

Our 2010 rates will be posted on our Websites starting in January 2010.

Means of payment

Payment may be made by certified cheque, school cheque, cash, credit card or debit card. Make cheques payable to the "Ville de Montréal," unless otherwise indicated when you reserve.

Rates

The 2009 rates listed below are in Canadian funds and include all taxes. Rates are subject to change without notice.

Unless otherwise indicated, there is no additional charge for educational activities.

Free admission for teachers

Teachers wishing to familiarize themselves with any of the museums before they come with their classes may ask for **one free pass** when they reserve.
